Re: Water Right Permit No. **CG2-23597(B)**

Dear Mr. Belvin:

In response to your request, the development schedule for the above referenced water right has been extended as follows:

Proof of Appropriation: April 1, 2021

Basis of extension approval:

- The delay is justified, given local development patterns and local economic conditions.
- The permit holder requires more time to collect water use data for the purpose of quantifying beneficial use of water.
- A delay would enable the permit holder to meet public water supply needs, consistent with the intent of the permit.

Please mail in the enclosed *Proof of Appropriation* form by the deadline. If you have any questions, please contact Tammy Hall at thal461@ecy.wa.gov or (360) 407-6099.
